Perhaps you are living alone and not able to get out. Would you like someone to call or come by once a week to keep in touch? You may be facing surgery and don't know how you will get your medicines/groceries when you get home - or even who will change that light bulb in the ceiling. Maybe you are undergoing medical treatment and would really appreciate a home-cooked meal once or twice a week until you feel a bit more like yourself. Or perhaps you are in a difficult time and would simply like to ask for prayer support. Please consider allowing us to offer some Christian assistance. You may contact us by email at **FISHministrySPN@gmail.com** or call the Parish Office at 410-859-0571 and leave a message. Our goal is to be of service!

From The Social Outreach Ministry and H.O.P.E.

It has come to our attention that that there has been door to door solicitation within the Linthicum area residents when the solicitors are using the names of St. Philip Neri Church and H.O.P.E as referrals.

Please know that we have never implemented, suggested, or encouraged any type of door to door solicitation. We carefully screen the needs of those we assist and we handle the procedures within the environment of the facilities we represent.

We strongly encourage you to avoid direct donations to those who use the names of St. Philip Neri and H.O.P.E. and to refer them directly to the organization.

Pastoral Leadership thoughts on Faith Formation

Our faith is always in need of nurturing and care; and, therefore, faith formation is a life-long process. Unfortunately, it can be a challenge to engage adult Catholics in continuing their faith formation. Busy schedules, varying interests in topics, and differing approaches to learning are all part of this challenge. Collaboration among our five parishes allows us to address these challenges in a way that would not be possible if we each approached faith formation on our own. Together, we can help one another grow in our love for God and neighbor. **Msgr. Rich Bozzelli, Pastor of Holy Trinity, Crucifixion and Good Shepherd**

Faith formation, in my opinion, is helping people discover or rediscover a personal relationship with Christ. In this relationship, a meaning and purpose for one's life is encountered that is shared as good news with others. **Fr. Dale Picarella, Pastor of St. Philip Neri**

Faith Formation is the unfolding of our Baptism in a life long journey of encountering Christ. Our faith formation programs have at their core our evangelizing mission of providing opportunities for all ages to grow in faith by conforming one's life to Christ. We begin this formal process from the moment of a child's Baptism when we instruct the parents and godparents to be teachers of the faith and we continue formation to the tomb. **Mrs. Ann Mc Donald, Pastoral Life Director of St. Bernadette**

Faith Formation is the unfolding of our Baptism in a life long journey of encountering Christ. We begin this formal process from the moment of a child's Baptism when we instruct the parents and godparents to be teachers of the faith and we continue formation to the tomb. **Fr. Jesse L. Bolger, Associate Pastor of Holy Trinity, Crucifixion and Good Shepherd**

Our parishes have been blessed with the resources to continue creating opportunities for: 1. Prayer, including Perpetual Adoration of the Blessed Sacrament, Novena to the Holy Spirit, and Devotion to the Blessed Mother; 2. Building Knowledge through RCIA, Catholic scripture studies and different speaker series; 3. Works of charity, particularly toward the sick in our area. In doing all these, it is important that we do not duplicate efforts. **Fr. Tony Adawu, In Residence at Holy Trinity, Crucifixion and Good Shepherd**

Guiding Principles for the Catholic Community of Northern Anne Arundel County www.ccnacc.org

The Advisory Council of the Cluster comprising the Catholic Community of Northern Anne Arundel County is charged with the development of ten (10) Guiding Principles. These principles have been designed and revised through the work of parishioners, parish staffs, Pastoral Councils, Pastoral Leaders, and the Advisory Council itself. It is our hope that through the continued pursuit of these principles, we can serve and meet the needs of the Cluster as we face the changing resources.

1. The Eucharist should be celebrated among the five parishes during the week, and every weekend, through a coordinated schedule to be distributed throughout the Cluster.
2. Opportunities for spiritual deepening and enrichment should be provided throughout the Cluster (e.g. adoration, devotions, prayer groups, study groups, and other faith expressions).
3. When appropriate and necessary, sacramental preparation and celebrations should be shared and coordinated among the five parishes through joint programming and staffing with consideration given to numbers of persons involved and space accommodations. Parishes having effective ministries and programs that work well and have adequate staffing, paid and/or volunteer, may continue them in their parish.
4. When appropriate and necessary, adult, youth, and young adult faith formation opportunities should be planned, coordinated and hosted among the parishes. Parishes having effective ministries and programs that work well and have adequate staffing, paid and/or volunteer, may continue them in their parish.
5. The Cluster should design and commit to specific actions to search out, invite, train and utilize lay leaders.
6. The Cluster should commit to planning and initiating formalized endeavors to foster Church vocations to priesthood, religious life, diaconate, and lay ecclesial ministry.
7. The Cluster should develop methods of communication within the Cluster using print and electronic media. Member parishes should give priority to cluster wide announcements.
8. The Cluster should plan opportunities for building community among the five parishes through at least one annual gathering associated with ministry and/or non-ministry functions.
9. When appropriate and necessary, the Cluster should expand or create parish ministries and programs to serve the needs of the Catholic Community of Northern Anne Arundel County.
10. The pastoral leaders assigned to the Cluster should work together to assure good pastoral and sacramental care for all five parishes.
