## “52 GOOD Reasons to Go To Church

*Besides the Obvious Ones*

*By: Paul McFate*

Reason # 19

### ***More Happiness and Excitement in Old Age***

Want to have excitement in your old age? A 1980 study by L.Y. Steinitz, published in the *Journal for the Scientific Study of Religion*, showed that church attendance is related to happiness, self-rated health, satisfaction with circumstances (city, family, health), and even excitement in life among older persons.

Steinitz surveyed 1,493 people over the age of sixty-five and determined church attendance was the most important religious factor in predicting happiness.

## **DEACON'S PONDERINGS**

I've been pondering "time, talent, and treasure". If we really want to follow the admonition of Jesus to love our neighbor, then, I believe, that we have to reach out to our neighbor with our time, our talents, and our treasures. To love someone means that we have to do something to that someone. Just saying "I love you" is meaningless without action. Talent: For example if you are a doctor, lawyer, teacher, carpenter, use that talent to help your neighbor, the neighbor you say you love. Treasure: What can I say? Share what you can of you money with your neighbors who are in need. Time: I believe that this is the most tightly held commodity we have. We just don't like to give up our time. When asked to do something how often have we said "I don't have time"? What we really mean (sometimes anyway) is that we don't want to do something. Think about this: "we have time to do anything that we really want to do"! My sisters and my brothers: love your neighbor and share your time, talent, and treasure. God has blessed us in so many ways. He has given us a time to share, He has given us talent to share, He has given us treasure to share. Please pray for me, I always pray for you. I love you.

Deacon Bob

## SOCIAL OUTREACH MINISTRY

### WE NEED YOUR HELP

The St. Philip Neri Casserole program which assists Our Daily Bread is based on the generosity of volunteers. We have a very dedicated group of volunteers who have been making casseroles every month for many years. Without them we would not be able to participate and provide meals to hundreds of people thorough the year! Another very important task that makes this program possible is the delivery of the casseroles to Our Daily Bread Center every month.

For many years we have had the same dedicated people who alternate months for the deliveries. Due to circumstances they will no longer be able to assist with this project. So, at this time, **we are asking for your help with a commitment to help with the deliveries of the casseroles.** Casseroles are collected on the third weekend of each month (Sat. 4:30-5:00 p.m. & Sun. 7:30 – 9:30 a.m.) They are then delivered after the Sunday collection. You can volunteer for as little or as many months throughout the year as you wish but unless we can get a commitment for every month; this program will not be possible to continue through St. Philip Neri Church.

Please consider making a commitment to help. Our involvement helps to feed hundreds of people who really need the meals to get by. If you can help or need more information, please contact Alma Grossman at 410-859-0571 ext: 220.

## Are You Interested in the Catholic Faith?

St. Philip Neri will soon begin a new journey in faith to share the richness of the Catholic Church and our parish family. We invite you to learn what the Church teaches, and be introduced to some of our parish members. These sessions also are opportunities for you, and others that you may wish to invite, to ask those perplexing and difficult questions you may have about the Church. These gatherings are for inquirers and are open to people who are unbaptized, as well as those who are baptized Christians from Protestant or Evangelical backgrounds. Sessions will begin this Fall.

Please email Amy Seifrit at [amyseifrit@verizon.net](mailto:amyseifrit@verizon.net) if you have questions, or would like further information.

## **CLUSTER WEEKDAY MASS** **SCHEDULE CHANGES**

Among the nine Strategic Goals included in the North Anne Arundel County Cluster Recommendations (developed during the Cluster Planning Process and accepted for implementation by Bishop Rozanski), Goal # 1 states:

“The Eucharist will be celebrated in each parish every weekend among the five parishes and during the week through a coordinated schedule to be distributed throughout the cluster.”

During the past year, the Cluster Pastoral Leaders (Father Michael DeAscanis, Father Bruce Jarboe, Father Dale Picarella, Mrs. Ann McDonald) along with the Cluster Coordinating Council have been working to create a Weekday Mass schedule coordinated among the five parishes.

While the planning activity has been preparing for the availability of only 3 full-time priests, our current situation allows for 4 priests to be available for Weekday Masses.

Below you will find a revised Weekday Mass Schedule that will serve the five parishes of North Anne Arundel County which will become effective **August 1, 2009**. The new schedule is designed to be attentive to a number of factors, including:

- Mass will be celebrated at least once at each parish location during the week
- 3 different Mass times are available each day, Monday through Friday, and 2 Mass options on Saturday
- The Mass times provide opportunity for early morning, mid-morning and evening schedules
- 3 Masses each day allows each priest 1 one off-day per week
- In addition to the scheduled Weekday Mass times, each priest will regularly be celebrating Funeral Masses, Wedding Masses and other liturgical rites throughout the week, and several additional Masses each weekend
- The consolidation of Masses from 36 to 21 each week results in an “interim phase” which reflects a less significant reduction than originally proposed in the Recommendations and which can be realistically supported until only 3 priest are available
- The desire for a revised schedule to be as easily understood and communicated as possible

As we prepare to implement our new, coordinated Cluster Weekday Mass Schedule, the Cluster Pastoral Leaders and Coordinating Council members recognize that there will be an expected period of adjustment that we will all experience together as this new arrangement becomes familiar to us all, but we are also confident that the revised schedule continues to make available the celebration of the Eucharist throughout the week – an important and valuable element in our Catholic spiritual life.
