- FISH MINISTRY -

Perhaps you are living alone and not able to get out. Would you like someone to call or come by once a week to keep in touch? You may be facing surgery and don't know how you will get your medicines/groceries when you get home - or even who will change that light bulb in the ceiling. Maybe you are undergoing medical treatment and would really appreciate a home-cooked meal once or twice a week until you feel a bit more like yourself. Or perhaps you are in a difficult time and would simply like to ask for prayer support. Please consider allowing us to offer some Christian assistance. You may contact us by email at FISHministrySPN@gmail.com or call the Parish Office at 410-859-0571 and leave a message. Our goal is to be of service!

St. Philip Neri

Parish and School Picnic

October 16, 2011

I would like to take this time to introduce myself to the SPN community. My name is Kate Daley and I am very excited to begin this journey with all of you. I have received my B.A from UMBC and my Master's degree in education with a certificate in Administration and Instruction from the College of Notre Dame.

Your commitment to SPN is evidence that you are dedicated to finding the best possible educational environment for your child. I am hopeful that you will find a vibrant, active school that provided quality Catholic education for its students. Together with the staff and faculty of Sr. Philip Neri, I am committed to offering each child a quality education, based on the values of Jesus Christ. As a parish school, SPN is blessed to have so many individuals that have taken an interest in supporting the students and the school. My mission as a Catholic educator is to educate the whole child, and I hope to encourage all students to develop their God-given gifts and talents to the fullest.

I will work to foster a family-like atmosphere and strive to make each individual who walks into the building feel free to be who they are, safe and accepted. The spirit of young students is exceptional and they will be encouraged to try new experiences, develop new skills and discover new talents, and this can only be fostered in an atmosphere that provides opportunities for each student and welcomes their participation.

In closing, please know that I am here for you. I am dedicated to Catholic education and am so looking forward to the opportunity to meet and learn from each of you. Thank you for welcoming me into your community and I have nothing but the highest hopes for our faith community's future together.
