**St. Philip Neri School News**

**Catholic Schools Week  
January 29<sup>th</sup> thru February 5**

This year's Catholic Schools Week theme is "**Catholic Schools: Faith. Academics. Service.**" The theme expresses three priorities that make Catholic schools stand out from other educational institutions. Children learn about faith—not just basic Christianity, but how to have a relationship with God. They concentrate on academics, which in Catholic schools are held to the highest standards, so they can reach their highest potential. They practice service—giving time, talent and effort to help others—as an expression of both faith and good citizenship. This combined focus on faith, academics and service prepares students for full and meaningful lives. Catholic schools provide a high level of service to local communities because of the many service projects students undertake. Giving back to the community and helping others are values instilled in every Catholic school student.

We are excited to have the opportunity at two **Open Houses** we are holding during Catholic Schools Week to show off what our students are learning and offer to you the opportunity to tour our school, speak to our teachers, learn about our curriculum and register your child(ren) for the 2012/2013 school year. Please bring your friends, neighbors and anyone else you know who may be considering Catholic education for their own children.

**Open Houses will be held  
Sunday, January 29, 2012 – 10:30am to Noon  
Thursday, February 2, 2012 – 8:30 to 11:30am**

**Jan. 23 and runs till Feb. 13, 2012.**

The seminar begins at 7pm. with a time of prayer, worship and praise of the Lord, followed by teaching that engages men through exploring the Bible, discussion and followed by a time of reflection on what was learned for the evening. As we conclude around 8:30pm., refreshments and food are served for fellowship.

## What is World Vision's 30 Hour Famine???

World Vision is a Christian organization dedicated to working with children, families and their communities worldwide to reach their full potential by tackling the causes of poverty and injustice.

The 30 Hour Famine is an international youth movement to fight hunger throughout the world.

Youth (and adults!) raise pledges and then go without food for 30 hours (we have plenty of water & mandatory juice breaks throughout the time!)

For every \$30 raised, World Vision can feed & care for a child for a month!  
We are asking each 30 Hour famine participant to raise a minimum of \$100.

**St. Philip Neri & St. Bernadette High School Youth  
will be participating in the  
30 Hour Famine at St. Bernadette Parish  
February 24 (6:30 PM) through February 25 (5:30 PM Mass).  
The famine will be followed by a Family Covered Dish Dinner.  
We will keep busy with fun service and educational activities during our fast.**

### Facts about hunger in the world today!

One in three children in developing countries don't get the nutrition they need.

Every day, hunger kills nearly 8,000 children under age 5.

Some die of starvation, others from illnesses brought on (or made worse) by a lack of nutrition.

More than 24,000 children die every day from all causes - hunger, poverty & disease.

The tragedy is that most of these deaths are preventable!

## **TO REGISTER to PARTICIPATE:**

Attend the Famine Kickoff on Sunday 1/22 from 6-7:45 p.m. or contact Ms. Hilary at [hfbateman@gmail.com](mailto:hfbateman@gmail.com) to pick up a registration packet.
