Catholic Schools Week

January 30th thru February 4

This year's Catholic Schools Week theme is "**Catholic Schools: A+ For America,**" which celebrates the fact that Catholic schools are an added value for our nation. Because of our traditionally high academic standards and high graduation rate, all supported by strong moral values, Catholic schools and their graduates make a significant contribution to American society.

Catholic schools provide a high level of service to local communities because of the many service projects students undertake. Giving back to the community and helping others are values instilled in every Catholic school student.

We are excited to have the opportunity at two **Open House** we are holding during Catholic Schools Week to show off what our students are learning and offer to you the opportunity to tour our school, speak to our teachers, learn about our curriculum and register your child(ren) for the 2011/2012 school year. Please bring your friends, neighbors and anyone else you know who may be considering Catholic education for their own children.

Open Houses will be held
